

Your PARENT TEACHER COUNCIL welcomes you to the 2019-2020 School Year!

As your Parent Teacher Council (PTC) board, we would like to welcome you and your family back for another great school year! Together as a team, we all make our school an amazing place to learn and grow. We could not do many of the things that our kids love without all the help from each and every family.

Our PTC board members are excited to serve as your representatives. A little about us: Josselyn Carter will be our President. She has three children: her oldest daughter Ruby will be in the 7th grade, Lucy will be in the 5th grade and her son Miles will be going into 3rd grade. Our Vice President position this year is held by Jennifer Haslerud! She has four boys; Justin is heading into 8th grade, Connor will be in 5th and her twins Carson and Ryan are going into 4th grade. Our Treasurer, Tiffany Jones has two children. Her son Brayden will be entering the 7th grade and her daughter Kaydence will be heading into 5th grade. Our Secretary, Stacy Sanders has three boys: AJ will be going into the 8th grade, Zach will be entering 6th grade, and a sweet four-year-old named Jett.

Our Governing Board representatives are: Andy McCurdy, daughters Molly going into 8th grade and Alison who will be a 5th grade and Heather Wright, children Walker and Regan will be entering 4th grade and son Rex who will be a first grader in August. They can be contacted through the RSA website under Governing Board. or email at RSABoardmembers@gmail.com.

RSA would not be the school that we know and love without amazing and ongoing parent participation. We would like to highly encourage all of you to attend the **All School Arts & Culture Celebration on Friday September 13th. Please note that more information will be sent out once school is in session.**

The fundraising that PTC does each year financially supports the school's mission and teachers. With so many schools cutting visual and performing arts, we are proud to be a school that emphasizes them. Our first fundraiser is our annual Fox Trot which is October 11th. Another important date to remember and our second fundraiser is **RSA's Auction Night!** Mark your calendars for **Saturday, March 14th, 2020!** The Auction is an excellent way to earn volunteer hours and is one of the school's biggest fundraisers. Last year through our fundraisers and flat donations the PTC could support our school, the staff, and our students by donating approximately **\$40,000**. This included educational supplies, student scholarships and more! The hard work we put into our school really pays off for our children!

We would like to invite you to the **School Meet and Greet on campus, Tuesday August 13th from 5:30 PM to 7:00 PM**. This is a free flowing evening to stop by your child's classroom, meet your teachers and see friends. Please bring cash or credit card as Kono Ice will be on campus! In the activity center we will have tables set up to provide you with information about our Auction, purchase RSA t-shirts (cash or check accepted), and sign up for after school care or RABA. Classrooms will be open to meet teachers from 5:30 to 7:00. We are looking for volunteers to help make this a wonderful event for all so if you would like to earn some volunteer hours before school starts, please look at our Sign-Up Genius: *Link to be posted to the website & facebook soon!*

Our goal is to continue creating a united community of parents and staff, to help facilitate communication between the school and parents, and to keep everything as simple as possible for everyone. We will be holding PTC meetings every 3rd Thursday throughout the year. Attending these meetings is a great way to stay informed, be involved in the decision-making process, and become aware of new ways to get those volunteer hours! You can also check out our Facebook page RSA PTC for upcoming events and information. A full listing of meeting times and places will be in our newsletter. They will also be posted on RSA's website calendar and we will have an email reminder before each meeting so there is no confusion.
