

Redding School of the Arts

Outside Interest Verification

Kinder-3rd Grade

Spring 2017

Dear Parent/Guardian,

As per the Parent/Student Agreement and in keeping with the vision of this school, our students must pursue their particular interest in visual or performing arts outside of their academic school day. Students in grades K-3 are required to be involved periodically in an area of the visual and performing arts throughout the year. Those students in grades K-3 who do not pursue an interest in the arts during the fall semester must do so in the spring. The National Endowment for the Arts defines arts to encompass music, opera, dance, drums, folk art, creative writing, architecture, design and graphic arts, painting, sculpture, photography, and the arts. Some examples that are NOT considered an outside interest include: martial arts, sports, and gymnastics.

Please list below the interest that your child is pursuing and with whom they are receiving instruction. This form must be signed by the instructor and returned to school by Friday, March 31, 2017.

****If you are receiving this form, we did NOT get an outside interest verification form for your child in the fall.**

.....
One form per student, please.
